

**POINTER**  
**The Pointer Club Champ Show**  
**22<sup>nd</sup> April 2007**

It was an honour to be invited to judge the breed that I have been involved in for so many years and I was delighted with this super quality entry. The puppy classes were a pleasure to judge and I will look forward to watching their progress. There were a few dogs in soft condition and these paid the penalty. Pointers need a lot of free running and should have good muscle tone. When deciding the top honours with my co-judge Jose Baddeley, I was pleased we agreed BIS, BP and BV should all be awarded to the dogs.

**VETERAN DOG (6).**

1<sup>st</sup> Wilson's, Bonnygate Gunns a Blazing JW. A 7 years old b/w who has retained his shape and movement since a youngster. Well shaped head and lovely expression, neat ears. Short tight coat. Good turn of stifle and short hocks which gave him an easy ground covering stride. Delighted he was **BVIS**.

2<sup>nd</sup> Flint's, Casilex Bucks Fizz JW Sh CM. A b/w 8 years old who seems to have lost weight and looks better for it. Depth of brisket, pasterns, feet and coat were all good. Covered the ground on the move.

3<sup>rd</sup> Martin's, Sh Ch. Sunhouse Pure Genius.

**MINOR PUPPY DOG (14).** A very strong class with little to choose between the top placings.

1<sup>st</sup> Barker's, Flinthill Jordy Boy. A super b/w baby with well shaped head and kind eye of good colour. Good deep brisket for age, correct pasterns and feet. Slightly sloping topline finished with a neat tail. Covered the ground with ease.

2<sup>nd</sup> Cherry's, Shanandi Masterclass. A heavier marked b/w with similar attributes as winner. Slightly stronger in head but this should balance out with age. He moved well covering plenty of ground.

3<sup>rd</sup> Rose's, Ridanflight Rockhampton.

**PUPPY DOG (9).**

1<sup>st</sup> Beesley's, Birchleith Barbican Beau. This stylish b/w youngster stood out in this class. Lovely head shape and eye. Length of neck. Deep brisket and oval bone. Still needs to fill out as expected at this age. Very free and easy mover using his hocks. A well deserved **BPIS**.

2<sup>nd</sup> Knighton's, Gempoint Dark n Sharp at Handsway. A heavier build than winner with good head and dark eye. Well developed ribcage, sloping topline and strong over loin. Good turn of stifle and short hocks.

3<sup>rd</sup> Beesley's, Birchleith Bow Bells.

**JUNIOR DOG (14).**

1<sup>st</sup> Wood's, Stockend Winchester.

2<sup>nd</sup> Walkling's, Penwest Phineas at Kiswahili JW. These two l/w's were very similar in type, correct size with balanced heads and soft expressions, neat ears. Nice length of neck leading into good spring of rib. Both had super muscle tone. Just preferred movement of winner.

3<sup>rd</sup> Wilson's, Joneva Shooting Star at Djankay.

### **YEARLING DOG (8).**

1<sup>st</sup> Moulding and Marsh's, Billsborough Bright Moon JW. A lovely headed b/w with soft expressive dark eyes. Deep brisket. Ribs well back. Arch over loin with good tail set. Very positive rear movement. Would have liked a little more weight on him.

2<sup>nd</sup> Gordon's, Suited n Booted. Rangier than winner. Balanced head, neat ears. Arched neck leading into good ribcage. Oval bone and tight feet. Just lacked maturity of winner.

3<sup>rd</sup> Walkling's, Penwest Phineas at Kaswahili.

### **MAIDEN DOG (3).**

1<sup>st</sup> Buchanan-Robertson's, Andronja Painted Black of Querdon. This youngster was placed fourth in Minor Puppy which was a good class and maturity played a part in placings on the day.

### **POST GRADUATE DOG (6).**

1<sup>st</sup> Barrs-Gordon's, Panoply Ahead of the Game. A mature b/w with balanced head, brisket down to elbows, ribs well back and tight feet. Good tight coat and moved well.

2<sup>nd</sup> Edmondson's, Crookrise Rory. An l/w who was more compact than winner. Very muscular with good ribcage. Deep brisket and tight short coat. Stronger bone than winner. He has a good shaped tail but is quite proud of it and this just spoiled his outline on the move.

3<sup>rd</sup> Lockwood's, Bonneygate Indian Chief at Lockenna.

### **Mid LIMIT DOG (9).**

1<sup>st</sup> Baillie and Earl's, Shanandi Hot Pepper at Bolaney. A well shaped head and lovely soft expression. Long muscular neck leading into fine shoulders. Good front and sloping pasterns. Deep brisket and strong over croup. Lovely sweep of stifle and short hocks which helped him cover plenty of ground on the move.

2<sup>nd</sup> Wilson's, Bonneygate Imperial Choice. Slightly smaller and more compact than winner but whilst it has similar attributes, I just preferred the overall picture of the winner.

### **LIMIT DOG(11).**

1<sup>st</sup> Woods', Stockend Jameson. A super mature b/w with lovely head and expression. Excellent front with fine shoulders. Strong neck leading to good ribcage. Brisket down to elbows, tight short coat, bee sting tail. Good sweep of stifle and short hocks. Moved effortlessly and I was delighted to award him **RCC**.

2<sup>nd</sup> Martin's, Jilony Believe in Sunhouse Sh CM. A heavier build than winner. Had a lovely expression and head shape. Deep brisket and turn of stifle. Preferred the vivacity of winner.

3<sup>rd</sup> Welch's, Hookwood Top Marks.

He covers the ground easily with precise daisy cutting movement. A well deserved **CC** and **BIS**.

2<sup>nd</sup> Masters and Pavey's, Sh Ch. Manchela Innuendo. Slightly taller than winner but has the substance to compensate. He has a good tight short coat, straight front, long neck and fine shoulder blades. He moved on a long easy stride. Preferred the compactness of winner.

1<sup>st</sup> Stilgoe's, Teisgol Tanzanite JW.

2<sup>nd</sup> Mozley's, Simply a Star at Ponsonby.

**Dog Judge - Lynne Kenney-Taylor**

I felt very privileged to be appointed to judge the Pointer Club Championship show. I had a lovely quality entry. My CC winner was Howes', Medogold Vanilla Fudge coming from the Mid Limit class. I am told that this is her second ticket in 5 outings. Excellent head and the best lay of shoulder giving that lovely length of neck. Such an excellent forehand, beautifully straight in front and well developed brisket and deep ribbing. Well covered coupling and the best of angulation behind. Moving like a Pointer should, with strength and precision. A joy to see.

RCC went to the second in Mid Limit, Twymans', Bracendown Buds of May. Such a show off. Excellent well worked head and reachy neck. Lovely straight front with super shoulder placement. Excellent body properties with super angulation behind, excellent feet and legs. Was only beaten on maturity. Her day will certainly come soon.

My BPB was Smith's, Medogold Pearl Power. Another one with great promise. So very well balanced for such a youngster. Conformation is correct throughout. All she needs is the time. My co-judge was Lyn Kenny-Taylor.

We didn't need the referee to make the final decisions. BIS was Sh Ch. Tawbarn Star Eclipse by Fleurfield JW. Medogold Vanilla Fudge was RBIS and BP was Birchleith Barbican Beau. and BV was Bonnygate Gunns a Blazing. A litter mate to the Vet bitch.
