

# GUNDOG BREED ASSOCIATION OF SCOTLAND

## CHAMPIONSHIP SHOW

### Saturday 11<sup>th</sup> November 2017

Many thanks to the committee for the invitation and their hospitality. Many thanks to my two stewards. I would also like to thank each and every exhibitor for the opportunity to judge their Pointers. I truly appreciate the time, effort and cost involved.

I was more than happy with both the quality and quantity of the entry. On the whole conformation was good which allowed me to concentrate on the finer Pointery points including rewarding correct tail carriage and action. As has been mentioned by other judges already this year I was saddened to find some bad mouths and kinks in tails, more than likely the Pointers in the showing are the future breeding stock and, in my opinion, these are traits that should not be carried forward. Most were well muscled with those that were soft in tone paying the price. Temperaments were good and I particularly enjoyed the typical baby Pointer antics.

#### **VETERAN DOG (5)**

1<sup>st</sup> Alcorn and Lynn's Sh Ch Afterglow Bare Faced Lie at Kanix ShCM. 8.5 year old who can still compete with the best. Lovely masculine head with good length of foreface. Kind expression, well set on thin leathers. Good length of neck leading into well constructed front with plenty of heartroom. Strong topline with ribs carried well back. Well boned dog with correct pasterns and feet. Shown in good fit bloom. Moved out very well covering plenty of ground with ease and making good use of his tail. Res DCC, Best Veteran in Breed and delighted to see him go Reserve Best Veteran in Show only beaten by my favourite Irish Setter Neita.

2<sup>nd</sup> Westron's Aurichalcum Lord Beckett of Castlepoint. This orange and white boy is almost 10 years old and very similar remarks apply as to 1st. This dog loves life to the full and is as fit and keen as ever. Lovely stamp of a dog and although he carried his tail a little high today he made good use of it. A great credit to his owner.
