MINOR PUPPY DOG (Entries: 2 Absentees: 0)

1st Millpoint Watson (Mrs J M Harrison). Very tidy pup, well balanced for age. He is definitely a baby but has the classic pointer attributes. Shapely with a good forechest. Good bone and well angled behind. Clean mover, made me smile with his young outlook.

2nd Millpoint Bamburgh Boy (Mrs L Trueman). Another decent pup, felt he was a shade. Less developed than 1. Not as good in shoulder as one and slightly longer in back just now. Both had pleasing heads.
