

SOUTH WALES KENNEL ASSOCIATION

CHAMPIONSHIP DOG SHOW

Thursday 10th OCTOBER 2024

I was asked to step in and take over the Pointers and Curly Coat Retrievers as original judge Marian Waddel withdrew. I wish her a speedy recovery and I hope to see her out and about very soon. I'd like to bring a couple for things to the breeder's attention. Heads I found to be very varied, and you are losing the uniqueness of the typical Pointer head for the breed. Also, movement was very much a challenge. Several were wide in front, some are rolling their shoulders, which was evident in the front action and hind movement. Several were pacing and I did give those a second chance, unfortunately they paid the price. I was pleased with my class winners, and some are definitely stars of the future.
